**Mission Accomplished! Our Ads Helped Kamala LOSE!**

**45 MILLION people saw our Ads! Trump Wins!**

**15 Million Less Catholics and Blacks voted Democrat this year than in 2020!**

**There's no way that our ads didn't help Kamala lose, and help Trump Win!**

**We now have to ONLY pay off a small Campaign Debt...\$24,000...**

**Dear Friends and Supporters – by God's grace, and with your help...**

We put babies FRONT AND CENTER in this election! We told Catholics and Blacks ***they could not vote for Kamala with a clear conscience.*** They heard us!

***And over 45,000,000 (Forty-five million) people saw the ads!***

**The stunning data shows that Black and Catholic Democrats abandoned Kamala – which was our message all along: “A Vote for Kamala, is a vote to murder Jesus in the womb!” (That message aired on the World Series, Nationwide, Game 4!)**

We KNOW that our ads caused voters to NOT vote for Kamala!

Our ads were seen NATIONWIDE by tens of millions of viewers. They ran on: *The World Series, The View, ABC World News Tonight, Meet the Press, The Today Show, Jimmy Kimmel Live, CBS Early News, CBS Morning News, CBS Evening News, FOX TV, Univision* and more.

**Black Pastors: We're Talking to YOU.**

*Jesus said, what you do to children, you do to him. Jesus said you're better off drowned in the sea with a millstone around your neck if you abuse children. The Democrat Party abuses children - with perversion...deviancy...and death.*

*If we support Democrats, we attack children, and make void the Word of God with blasphemous lies.*

***They have pimped you for 30 pieces of silver to betray innocent blood. Repent! Stop voting for these criminals! I'm R.T. etc***

**Catholic Bishops: Are You Cowards or Judas?**

*Jesus said what we do to children, we do to him; he said if we harm a child, we're better off drowned in the sea with a millstone around our necks.*

*The Democrats push harm, perversion... death on children. Yet the biggest voting block of Democrats are Catholics...who don't follow Christ.*

*Bishops, if you don't warn your flock that voting for Democrats is a vote to kill Jesus in the womb; **you're either a coward or a Judas, taking 30 pieces of silver to betray innocent blood...by your silence.** I'm R.T...*

We ran hundreds of LOCAL ads on TV stations in Wisconsin and Florida. We helped defeat Amendment 4 in Florida, and Helped Defeat Kamala in Wisconsin.

We ran NATIONAL ADS that aired on **EVERY TV STATION IN AMERICA**, On FOX, ABC, CBS, NBC, and UNIVISION. *Thousands and thousands of ads!*

**We know for sure: 15 Million Democrats did NOT vote for Harris.**  
*We know 45 Million viewers saw "A Vote for Kamala is a vote to kill Jesus in the womb."*

*I poured my heart and soul into this mission for the babies.* The last two ads we bought on CBS Evening News – seen by MILLIONS of Americans nationwide on Monday and Tuesday – only cost us \$14,920 each. That is because as candidates, we get the LOWEST RATE. A "SUPER PAC" would have to pay 10 times that amount!

The campaign only has about \$24,000 in debt. If your heart is thankful for what we did, and you are moved to help us, please do. God bless you,
